About Quality Outdoor Products Inc.

Quality Outdoor Products is the pioneer company when it comes to affordable covers and metal buildings. We have been supplying customers with the highest quality covers and storage solutions for over twenty years. Quality Outdoor Products has focused on the highest integrity when it comes to design and strength. QOP has perfected the telescoping design, that gives our units a stronger stance. Our line of Power Bar units allow customers to choose to have welded braces in every corner and center angle. In our line of larger units, QOP has a double reinforced truss across the entire width of the truss (30 Wide). Quality Outdoor has always been at the top of the industry when it comes to the quality in our units, with standard features like colored screws, more anchors and welded braces.

Quality Outdoor Products also takes pride in its customer service. We have strategically opened manufacturing and distribution locations across the country to ensure our customers can get the quickest install times and the best customer service. All the Quality locations are staffed with friendly knowledgeable people with many years of experience. Our dealers and customers not only have access to distribution locations but also to the corporate office. Quality Outdoor Products is where the word quality is not just in our name it is in our products and our people.

Why Choose Quality Outdoor Products Inc.?

Quality Outdoor Products Inc. is your premium carrier of a large array of metal products built for a wide variety of uses. Our goal is to help you match the right solution to meet your individual needs. There are countless reasons for choosing our products and services over our competitors, including:

70% More Anchors

**Factory Trained
Installers**

**Painted screws
to match color of building**

**Welded Supports on all
buildings 20' and wider**

**Stronger construction
(Barns with bolted header bar)**

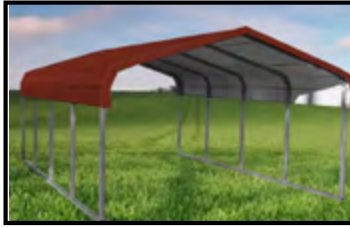

**Engineered 30', 40' & 50' Wide
(buildings with welded truss)**

Quality Outdoor Products Pledge to our Dealers.

Quality Outdoor Products depends on small businesses across the country for the majority of its orders . QOP understands that a business owner that chooses to sell a product that is tied in with service does so at a risk. QOP understands that the service we provide reflects directly on your business

Quality Outdoor Products pledges to provide our dealers with the best products and the highest level of customer service in the industry.
